Captain William H. West, Jr.
Legislative and Liaison Division
Office of the Chief of Staff
War Department
Washington 25, D. C.

Dear Captain West:

Thank you very much for your trouble in obtaining copies of the report on S. 1717 and the Atomic Energy Bill as reported to the Senate.

There are several matters in this bill of interest to us, and we would greatly appreciate it if you could, without too much trouble to yourself, keep us posted on the eventual disposition and provisions of the bill in question. Also, if the testimony of Mr. Warren is eventually printed, we should like very much to have a chance to see it. If it is going to be any bother for you to get additional copies, just let me know by phone what is available, and I will get them myself.

Very truly yours,

LRH/fb
